

Airport Features

Macon-Fower Memorial Airport has been completely renovated. It provides a lighted concrete runway, private aircraft storage, 24-hour self-service fueling, lubricants, hangars, tie-downs, pilot's lounge, WIFI, and internet access provided for additional weather information.

A courtesy car is available on a first-come basis for local use (not to exceed a 10-mile radius of the airport).

EAA Chapter 1212 is based at our airport terminal and hosts an annual Fly-In Breakfast event.

Address

1001 Patton Street
Macon, MO 63552
United States
