

# Polling Places

The last day to register to vote in an election occurs on the Wednesday four weeks before the election. City officials are chosen in the April elections.

The primary elections for county and state offices occur in August. The general elections for county, state, and federal offices occur in November.

Please refer to the posted map and listed polling stations for where to vote in Macon. Polling sites operate from 6:00 a.m. to 7:00 p.m. at the listed locations.
